What should I do?

There is nothing you need to do at this time. You do not need to boil your water or take other actions.

What is being done? Even though these violations occurred under the old owner Fuller MHP we still had to post these public notices to return these violations to compliance and samples were collected on 01/30/2008, 09/30/2008, 07/31/2013, 03/25/2014, 05/25/2015, 09/13/2015.
